## To Whom It May Concern

We are writing to certify that the Iltizam Relief Society of Malaysia is actively assisting us in securing the necessary funds for the restoration of the Al Shifa Medical Complex. This project is of utmost urgency, as it aims to provide critical medical care and recovery services to hundreds of thousands of people in North Gaza.

The need for this restoration is dire, as all hospitals in North Gaza have been devastated by recent unprecedented aggression from occupying forces. The Al Shifa Medical Complex stands as a beacon of hope for many, and its restoration is essential to meet the medical needs of the population.

We earnestly appeal to everyone to support the Iltizam Relief Society in their noble efforts to aid the people of Gaza during this critical time. Your generous donation will make a significant difference in the lives of countless individuals who desperately need medical assistance.

Thank you very much for your support and generosity

Sincerely

Dr. Marwan Hassan Abu sada

Director of Shifa Medical Complex  
General Director of International Cooperation and projects
